**YOU CAN REALLY MIX YOUR BABY'S OWN FORMULA**

**DOLL-E-NURSER**  
21 piece set

Gee, this is really fun. You can sterilize the bottles, mix the formula and give "baby" all the attention she needs. Imagine, 21 pieces of real formula making equipment. By American Metal Specialties Corp. Ask for 11BR1.

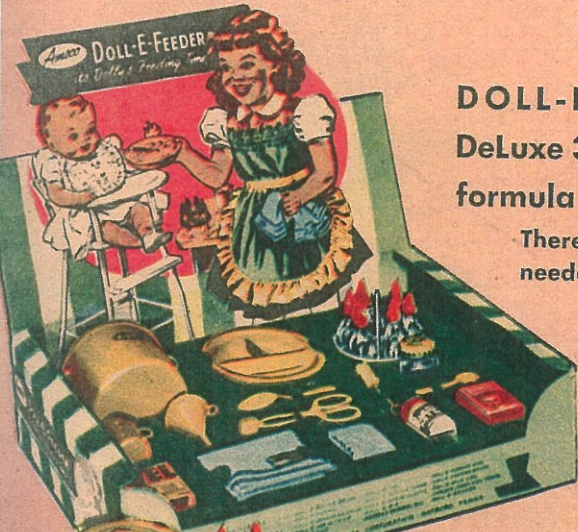

**FOR "MOMMY'S" NEW BABY — ALL-STEEL DOLL-E-CRIB with Mattress**

**995**

26 inches long.

"Gosh I love this," says Ruth. "It's for my favorite doll. It has full paneled headboard and footboard. A dropside, spring latches, swivel casters, steel link bedsprings, and just about everything a little girl dreams of." By American Metal Specialties Corp. Ask for 11BR2.

**DOLL-E-FEEDER**  
DeLuxe 32 piece formula feeding set

*Amsco*

"I'M LARRY AMSCO"

There are 32 pieces! Everything that's needed to make Dolly's daily food schedule. "Mommy" can make sure she is giving her dolly just the right amount and can follow through carefully with all the utensils. By American Metal Specialties Corp. Ask for 11BR3.

Everything "Mommy" needs to make baby's formula

All prices subject to change without notice. Some items slightly higher in some sections of the South and West.

**DOLL-E-HICHAIR**

"Sharon and I both love this one," says Ruth. "It's light blue with Ivory trim. Has a moveable feed tray, a step plate and it can't skid because of the rubber feet."

**30 inch ALL-STEEL**
