**ANIMAL ARCHERY SET**

Billy is a Big Game Hunter with his Archery Set. He fears no animal as he goes softly through the foliage after African Lions and Malayan Tigers. Set includes Hickory Bow with velour grip and waxed bow string. Three 18 inch feathered arrows with safety suction cups. Keeps score by the numbers printed on the ferocious looking animals. Target size: 19 inches x 36 inches. By Rollin Willson. Ask for 31BR4.

**BUGGY**

**129**

"Giddy-up Nellie. We're heading for home in our new Ranch Buggy." Beautifully colored steel horse, driver and hood. Strong plastic body and wheels. An exact miniature of the old Buggy. Perfect to set up with your "American Transportation Set." 9 1/2 inches x 4 inches x 4 1/4 inches. By Northwestern Products. Ask for 31BR2.

**TRANSPORTATION SET**

This brings back the days of the rugged Pioneers when they crossed the plains in their sturdy wagons. They're authentically scaled down to play size to get the real drama of that "action packed" period. There's a Stagecoach, Conestoga Wagon and Springfield freighter. They're really thrilling. By Northwestern Products. Ask for 31BR5.

All prices subject to change without notice. Some items slightly higher in some sections of the South and West.
