F 40-205 MOBO BRONCO\$29.95
(2 1/2 to 6 years)—A favorite horse imported from England that moves forward. Mobo Bronco moves and that's all there is to it. Pressure of the feet on the stirrups makes the front legs move forward while the child's weight returning to the saddle causes the back legs to move forward. Mobo is steerable by leaning weight to one side or the other. Made of automobile gauge steel with an all welded construction. Baked enamel coatings of dapple grey with red and blue trimmings. Mounted on easy-rolling, hard rubber wheels. Saddle seat is 19" from the floor. Ship. wt. 27 lbs. Express only.

G 60-129 HORSE AND SULKY (Exclusive Import)\$45.00
(3 to 5 yrs.)—What a thrill to actually drive this horse from the bucket shaped seat (12" high) by pedal action, with feet in the stirrups using the reins to control the direction. Sulky made of steel tubing painted yellow, red and blue. Has two ball-bearing rubber tired disc rear wheels with front wheel for steering. The plush covered horse well harnessed with jingling bells can be detached from the sulky for extra play value. Truly an outfit of great joy. Overall length 34". Ship. wt. 20 lbs. Express only.
