# ALL-FAIR TOYS and GAMES

"Lots of Fun"  
—Ruth

Mr. Q. Duck, jolly William Goat and Sambo with his Mule will make you laugh and laugh, and the games are just the thing for rainy days or cold winter evenings.

Which would you rather be? Babe Ruth or Bill Tilden? With the combination Tennis and Baseball Game you can play either one in a most realistic way. Rainy days won't be tiresome with this game to play with. Billy just loves his!

**Pop and Plop**  
Have a lot of fun shooting wild animals with a pop gun. The animals stand on numbers and you score when you shoot one off. The lion, of course, counts most. Just as exciting as real hunting.  
**\$1.00 each**

Gosh, what a long neck this animal has and how he twists it as he moves along—he's the ABC Giraffe from the wilds of ABCinia. He doesn't make any noise because giraffes, you know, altho they have a long neck, have no voice.  
**\$1.00 ea.**

Look out for those horns, cause William Goat sure does like to butt. See that Goatee? Mr. Goat is very proud of it and if you are good, he'll let you stroke it—but watch out for those horns.  
**\$1.00 each**

Here's Mr. Q. Duck all dressed up in a loud bow tie and a loud voice. He's got a feather in his hat too that will wave gayly as you pull him along. Duck is usually expensive but this one's only  
**\$1.00**

Talk about roughriders!—Sambo's mule sure does throw him up and down to beat the band. But Sambo is a good rider and stays on over all the bumps. You'll laugh with glee at his antics.  
**\$1.00 ea.**

Did you ever see "Our Gang" in the Movies? Here they are made into a dandy game that will be lots of fun for all of you. Farina and all the rest of the gang will help you pass many a rainy day.
