CHAIN DRIVEN TRICYCLE...

"Happy days ahead for you, with this Chain Driven Tricycle," says Billy and Ruth. "All the kids in your neighborhood will envy you. It has 16 in. machine spoke wheels with 1 inch fancy tread tires. Bicycle type pedals. Full, enameled and painted chain guard. Single coil saddle and padded handle bar. Beautiful Red baked enamel. White trim.

ASK FOR 37BR2

"I use the wagons, autos and velocipedes you see in my book and since they are the fastest things on wheels, couldn't I win? Do you go in for Wheel Derby? Write and tell me, Billy. I'd love to hear from you.

Billy
 Your Pal,

STATION WAGON

"It's a lovely day for the Wheel Derby," says Ruth. "Load your dollies in this smart-looking Station Wagon and off you go. Boy, you sure can travel in style in this. Body and chassis in Maroon baked enamel with Ivory trim. Box in Hazelwood Brown, wheels in Ivory and Hand Rails and Bumper in Silver.
